Lista's Workspace Solutions Are a Sure Bet

Repairing slot machines requires a wide array of different sized testing equipment, tools and parts. Technicians need an organized storage system that makes maximum use of limited space. Lista technical workbenches provide gaming machine repair operations with the utmost in efficiency, organization and durability. Electronic workbenches featuring ESD protection and accessories like built-in power are perfect for repair environments where both small tools and parts and large equipment are stored and used.

Behind the Scenes or in the Middle of the Action, Lista Has the Perfect Solution

When it comes to organized, efficient, space-saving and aesthetically pleasing storage solutions, Lista's modular storage cabinets hit the jackpot. Ideally suited for a wide range of storage needs, our cabinets can be custom configured and feature sub-dividable drawer interiors for the complete organization of stored items. Cabinets can include roll-out trays that allow easy access to printers and other heavy items, and doors (from retractable to sliding to hinged) for maximum safety and ease of mind in environments where security is a way of life.

Free Custom Design from Lista

Lista's engineering and design team is ready to provide you with a detailed plan for your individual workspace and storage needs, free of charge. We offer solutions that are designed for maximum efficiency and future flexibility, optimizing space and profitability.

- **Floorspace utilization analysis.** We can prepare plan and elevation CAD drawings for a grouping of products, or entire room-sized solutions.
- **Customized surveys and layouts.** Lista experts will survey your current and future storage and workspace needs, and propose solutions that provide the highest density and greatest productivity.
- **Integration with architectural and construction planning.** Rely on our experience with coordinating with architectural and construction professionals at any stage of a project's development.
- **Price quotes.** We are happy to provide free estimates and price quotes for any project, regardless of size.
